

I am writing in regard to LPFM station K-love radio. Traveling around the USA I really gain support from positive music station, K-Love. While at home I benefit by knowing what is going on in our local community and while on the road stay in touch with the values and beliefs dear to my heart and soul. K-Love promotes active participation in voting, supporting your local community, and service projects. Displacing K-Love by a LPFM broadcaster would NEGATIVELY effect my community and be disservice to many others who gain support from K-Love. Thanks, David Gossett--Orlando, FL
